Renovation Lending

Tired of skipping those hard-to-sell listings like other agents in your area and losing out on deals? What would you say if you had the tools to help sell the vision of the perfect home to your buyers? That's the idea behind this course. Learn how the FHA, 203K, and other renovation loan options can help you sell more real estate. Get buyers additional monies for repairs, upgrades, and other home improvements...all based on the future value of the property. Join us to learn more!
