Realtors Property Resource (RPR) & Hub Training

The Realtors Property Resource (RPR) is a digital platform and database managed by the National Association of Realtors (NAR), as a benefit for its members. Along with millions of property listings, it includes information on zoning, permits, mortgages, liens, neighborhoods, schools, and foreclosures. Please note that you need to sign up with the RPR with your Realtor "M1 number" also known as your "NRDS" number. Go to the National Association of Realtors to sign up.
