Operating a Real Estate Brokerage in GA Broker CE

This 3 hour Broker CE class is built to meet Georgia Real Estate Commission's updated requirements effective July 1, 2025. Designed for associate brokers, brokers, and qualifying brokers, it covers key aspects of managing a real estate business and qualifies as Broker CE credit.

Key Topics Covered:

- -Training & Supervising Licensees: Best practices for onboarding, mentoring, and supervising sales associates. Includes compliance strategies to maintain accountability and ethical standards.
- -Reviewing Brokerage Agreements: In-depth guidance on drafting and evaluating brokerage agreements. Covers essential clauses and legal considerations to protect both the firm and clients.
- -Managing a Firm Efficiently: Covers day to day operations like office policies, risk management, compliance systems, and staff oversight to run a profitable brokerage.
